

Granting Waivers Under 38 U.S.C. § 3683

VA

U.S. Department of Veterans Affairs

Background

- ▶ On September 14, 2017, VA issued notice in the Federal Register indicating it was proposing to issue a blanket waiver for any VA employee who was otherwise in compliance with the ethics laws
- ▶ After release, VA received opposition to this plan from numerous stakeholders
- ▶ Based on the feedback, instead VA has developed a waiver process through which VA employees with a for-profit connection can request an individual-level waiver determination
